

Dear Just One Opportunity Partners,

We want to take a moment and thank you for your support for Just One Opportunity. Your support has helped us make a tremendous impact in Albel-lanas and 11 other remote villages. Here are just a few of the accomplishments:

1. Just One Opportunity has become its own legal entity and formed its Board of Directors including: Jim Bolander, Nathan Kohl, Dan Lipps, & Brian Hutchinson.
2. Four of Just One Opportunity's high school students graduated this month and are continuing their education
3. 100 elementary school children were provided school uniforms, shoes, and school supplies last February
4. Just One Opportunity's high school students are offering an after school tutoring program for younger students who need help with homework
5. 25 high school and college students have received computer classes at the Training Center
6. 10 pastors were trained at the Training Center to help spread God's word in the villages
7. A 6-week long marriage class for 12 couples was offered at the Training Center
8. At least 1,000 people heard the word of God through various activities Just One Opportunity provided
9. The mission's team replaced a roof for a church in one of the villages
10. 40 families were provided clean drinking water and 50 solar powered lanterns were also dispersed through the partnership of other organizations
11. Roger spent countless hours on Skype mentoring our volunteers, training our staff, and working with pastors, teachers, and community leaders

Replacing the church roof

Receiving a solar powered lantern

Our support of elementary school children, high schoolers and pastor training is expanding in 2017. We ask that you would continue to pray for Just One Opportunity, the villages and the kids. We also ask that you would be led to continue your support of Just One Opportunity in the coming year.

Merry Christmas,  
Roger & Mary-Blake Orozco
